I Sheryl J. Carter at 1541 LaSalle Ave #1
Niagara Falls, New York 14301. my numbers
are (716) 282-1639 and (716) 930-4495.

I continue to object, disagree with the
Debtors and their affiliated Debtors on all
Plans. Also to the Debtors objection to all
my Sheryl J. Carter claims nos. 00552,

07020, 14901, 19246, and 19247. Filed by me, Sharyl F. Carter against the Debtors and their affiliated Debtors.

I have recently filed a response that was due by February 11, 2011 in this Court, United States Bankruptcy Court Southern District of New York to Judge/Judge-Honorable Robert E. Gerber and Courts of my claims. As I continue to file my objection, disagreements to all the Debtors Plans and their affiliated Debtors to the best of my Sharyl F. Carter ability without an Attorney-Lawyer, due to past misrepresentation, misleading, misquoting, and a lot more concerns

of previously Attorneys-Lawyers who attempted to represent me Sheryl Y. Carter in my Claims against the Debtors and their affiliated Debtors. I respectfully ask the Judge/Courts to allow all my Claims against the Debtors.

I Sheryl Y. Carter would not be in your Courts - House Robert C. Anderson and any other Courts if the Debtors and their affiliated Debtors would not have damage me for life or place me in situations to have filed all my claims against the Debtors.

I have always filed my responses in a timely manner by the deadline

Whenever I Sheryl Y. Carter was mailed the documents in a timely manner, given me enough time to read over all the massive pages by the Debtors and their affiliated Debtors.

I Sheryl Y. Carter respectfully ask the Judge/Courts-Honorable Robert C. Becker to allow all my claims against the Debtors and their affiliated Debtors Claim nos 0136, 00552, 07020, 09072, 14901, and 19247 (The Carter Claims) and any other claims against the Debtors.

As the Debtors stated they want to expunge six of the seven claims

that comprise the Carter claims, some
were filed duplicate claims, that was
not my fault, I blame that of the
Debtors and their affiliated Debtors, and
their Attorneys, employees who handled
the Proof of Claims.

Also I Sheryl J. Carter set forth
the legal and factual basis to the
best of my ability. I again
Respectfully ask the Judge/Courts to
Allow all my claims against the Debtors.

As stated my claims The Carter claims
were filed against MAC Debtors each in
an unliquidated amount and without
sufficient documentation that would

Allow the Debtors to effectively analyze the associated liability according to the Debtors. Show why did the Debtors attorneys contacted me, by phone, and mailing me documents asking what price I wanted to settle with, if the Debtors do not think I have any claims against them. The Debtors stated I Sheryl Y Carter engaged in a letter writing campaign to send letters to the Courts, Clerk of the Court, Eviden City Group, Inc, Weil, Gotshal & Manges LLP, and the Class counsel in class action

litigation, several of which were attached to certain of the Carter Claims. The Subtor states none of those letters provide adequate information to substantiate a claim. With that statement from the Debtors and their affiliated Debtors, why and how did I, we end up in this Courts with all my claims, also other Courts. Where are all the documents I already provided to Attorneys of the Debtors and my previous Attorney. Why am I continuing to be tormented, retaliated against, discriminate, harass on going. Also why there are NO records

on my behalf with the Debtors and
their affiliated Debtors. Why was I
given the small settlements that
were placed into my Fidelity Stock
with the Debtors, and blocked on
past, present, maybe future funds
that is rightfully due to me
Sheryl Y. Carter. As the Debtors continue
to ask for Proof of Claims from me, I
gave it to them that is why there
was no amount attached, also I had
respectfully ask the Judge/Courts to
allow an amount higher if needed
for all my claims against the Debtors
As the Debtors stated I Sheryl Y.
Carter filed claims against Delphi

Corporation, a former General Motors Corporation subsidiary that was spun off in 1998. The Debtors stated they are not aware of the disposition of such claims. Again my question is how did we get to this point if I do not have claims against Motors Liquidation Company, and Delphi Corporation, Debtors and affiliated Debtors.

I respectfully ask the Courts/Judge to allow all my claims against the Debtors and their affiliated Debtors. As I Sharyl Y Carter have did the best that I could to represent myself in the years that it is taking to reply, answer deadline response that is require from me to do so.

Sincerely,
Sharyl Y Carter
